

Tradewinds
Corporation Berhad
(K99-A)

EMBARK ON A DYNAMIC JOURNEY WITH US

Listed on the Main Board of Bursa Malaysia, Tradewinds Corporation Berhad is one of the largest hotel owners in Malaysia. With existing land banks in Kuala Lumpur, Johor and Penang, Tradewinds Corporation Group is expanding its core business activities into property development and intends to become a major player in the property industry. We are looking for a suitably qualified professional to head a new business unit.

Chief Operating Officer (Project)

The successful candidate will be responsible for the planning and implementation of the business unit's strategic plans. He or she is expected to develop, implement and deliver high standards of operational efficiencies, project management systems and develop quality properties in order to achieve the Group's objective of becoming a premier property developer both locally and internationally.

The incumbent must be a well-rounded professional possessing senior management experience of more than 15 years in project management. He or she must have proven track record in managing high rise multi-million ringgit mixed development projects comprising of commercial and residential complexes. Resourceful, innovative with high integrity and sound business acumen with passion for excellence are some of the qualities we are looking for. He or she must be articulate with demonstrated public relations and communications skills with strong commercial relationship with business partners and government bodies. He or she must be able to manage and maximise contributions from both local and international consultants as well as contractors. The incumbent must also have proven operational, finance and people management skills.

*To apply, please e-mail or send your application enclosing a comprehensive CV, stating present and expected salary and perks, contact details and a recent passport-sized photograph before **1 March 2008** to the following address:*
