Palatial comfort at Hotel Istana

HOTEL Istana marked a milestone with the completion of its refurbishment exercise recently.

To launch its newly refurbished Songket Lounge recently was Tourism Minister Datuk Seri Tengku Adnan Tengku Mansor. The lobby and the Grand Mahkota

Ballroom were lavishly decorated in keeping with the hotel's new tagline 'Elegance and Comfort as You Want It'.

Guests enjoyed a delicious five-course dinner prepared by executive chef Mohd Ridzuan Malek at the ballroom. Noryn Aziz then

charmed everyone with her singing.

After the launch, guests-of-honour toured the new restaurants and the refurbished rooms as well as the lobby which had Moorish influences and designs, infused with a modern contemporary presentation.
